

VOLUNTEER SPOTLIGHT

DeAnn Howell

DeAnn Howell grew up in Coldwater and graduated from Oxford High School in 1993. She then attended the University of Alabama in Birmingham, where she received a degree in Geology. She now is finishing up her 9th year at Westinghouse in Anniston as a Trial Burn Engineer.

DeAnn is a unique resource to the Chamber's Leadership programs due to the fact that she graduated from both Youth Leadership in 1992 and Leadership Calhoun County in 2006. She now serves as a Day Chair for the YLCC's Leadership and Career Day.

"I believe there is so much potential in this community, and I want to help grow that potential," said DeAnn.

DeAnn also enjoys spending time with her two kids and taking her Labrador Retrievers out hunting with her and her husband of 13 years. Thanks DeAnn for all you do!
